

U/S 4 (1)(a) of RTI Act

Every public authority shall maintain all its records duly catalogued and indexed in a manner and the form which facilitates the right to information under this Act and ensure that all records that are appropriate to be computerized are, within a reasonable time and subject to availability of resources, computerized and connected through a network all over the country on different systems so that access to such records is facilitated.

HMRTC has initiated the process of computerizing the records and displaying it on its website www.hmrtc.org.in for easy access of information to the general public. The scope of the information displayed on website shall be improved gradually. Information about various activities and services, applicable Acts/ Rules, tenders/ advertisements issued from time to time, standardized documents for various services, circulars etc. is available on website.
